

big dreams bigger vision...

After Bangalore, Nagpur and Hyderabad, under the same fame and with the same level of quality, Greenwood High International School has now opened its first preschool in Salt Lake Kolkata, which follows an electric mix of Montessori, Froebel's (Kindergarten) and Howard Gardener's (multiple intelligence) principles.

Greenwood High - Preschools in Salt Lake Kolkata has a friendly ambience, furnished with air conditioned classrooms and ample open area for children to learn as they play. It's motto aims at planting the seed of knowledge, values and education into children through best practices adopted from round the world.
