

# WE DON'T CHANGE. WE CHANGE.

The **Mani Group** started with a belief in building properties for people who believe in quality. The Group today is one of the leaders in the real estate business in eastern India.

Over the last three decades, the Group has developed more than **5 million square feet across 50+ properties** ... homes, malls, hotels, restaurants, schools, hospital, medical college and office spaces.

The group has successfully diversified into hospitality, retail, IT, power and education. Working

steadily towards developing more than 11.26 million square feet in and around Kolkata, Durgapur, Jaipur, Siliguri and Bhubaneswar.

The Group is also behind the JW Marriott hotel in Kolkata, fully geared to meet the needs of a global business traveller. A 100-room Courtyard by Marriott at Siliguri is also on the anvil.

The Mani Group hasn't changed its belief about a positive change. It has, of course, changed the way people look at living life in this country.
