
Mani Group floats residential project in Bhubaneswar

TIMES NEWS NETWORK

Bhubaneswar: Mani Group has floated a residential project, Mani Tirumala, worth Rs 400 crore at Kalarahanga on Nandan Kanan Road, promising 588 housing units in 30 months.

Talking to reporters here on Thursday, Mani Group CEO Sanjay Jhunjhunwala said, "2BHK and 3BHK flats will be available in the range of Rs 40 lakh to Rs 70 lakh with a per square feet price of Rs 3100." It would be the first project of the group in the state. The group's entry into Bhubaneswar market will raise the bar of quality housing at an affordable price, he added.

The upcoming project comprising 11 towers will have a water treatment plant, high-end security system, fire and earthquake resistance and a separate servants quarter for each flat, a company statement said.
